

THE MERTON PRIORY TRUST

Merton Priory Trust has been set up as a charitable trust to spearhead plans for raising awareness and exploring the significance of Merton Priory. It follows the completion of a feasibility study and Conservation management Plan. As a result of this study, we now have an idea of the overall scale of the project and potential construction and operating costs. The Trust will be fundraising towards the project which it is hoped will restore access to this important part of Merton's Heritage.
